

Del Mar Little League Team Photo Submissions

The DMLL website supports team slideshows and team photo galleries via the SmugMug online photo service. Anyone on the team can submit photos for inclusion on the DMLL website.

To submit photos for inclusion in your team slideshow on your team webpage:

1. Create a **Plain Text** email to dml@email.smugmug.com
(note. It is important to use a Plain Text email and not RichText/HTML email format)
2. Make the email subject line "DMLL" (no quotes)
3. Make the body of the email something like "*Division Team Name*" (e.g., Majors Athletics)
4. Attach 1-4 photos per email.
5. Send it!

The webmasters will update team slideshows and galleries every few days. You can submit more photos with multiple emails, but please don't submit hundreds of photos. A good team gallery will have 30-40 photos by the end of the season.

If you need assistance or have problems please contact webmaster@dml.org
